**NOTE:** you can only delete the questions you add. If the questions are passed from higher levels, then they can't be deleted.

Open the Registration form.

Select the **Questions & Layout** tab.

The screenshot shows the 'National Registration Form' interface. At the top, it says 'Status: Active • Defined by: My First Club'. Below this is a horizontal navigation bar with six tabs: 'Settings', 'Products', 'Questions & Layout', 'Messaging & Notifications', 'Activate & Publish', and 'Distribute'. The 'Questions & Layout' tab is selected and highlighted with a red box.

To delete a question, click **Remove** on the line of the question. This selects the question for deletion.

The screenshot shows a list of four questions in a registration form. Each question has a plus icon on the left, a text input field, and action buttons on the right. The first question, 'Home City', has 'Edit' and 'Remove' buttons. The 'Remove' button is highlighted with a red box. The other three questions are 'Emergency Contact Name', 'Emergency Contact Number', and 'Emergency Contact Relationship', each with 'Edit' and 'Remove' buttons.

Once you click **Remove**, the word "Remove" disappears.
