

How do I add a new product to a Membership Form?

Last Modified on 12/01/2024 10:30 am AEDT

When you are creating a Membership Form through GameDay, you are able to create a new product and add it to the form without breaking the flow of the form creation process.

To add a new product to a Membership Form:

1. In the left-hand menu, click **MEMBERSHIP FORMS**

2. EDIT the relevant Membership Form - if you do not have any Membership Forms,

you can create a new one using the **CREATE NEW FORM** button
