

How do I view an organisation's details in my hierarchy?

Last Modified on 15/11/2023 12:21 pm AEDT

If you are using GameDay as part of a multi-tiered hierarchy, you can view the details of any other organisation linked below you within your hierarchy.

Note: Administrators cannot view the details of organisations that are above, or next to their organisation through their GameDay login.

To view a lower-level organisation's details through your GameDay database:

1. Open the My Organisation menu, then click MY HIERARCHY

| Go | JAMEDAY | |

| | Dashboard | |
| OF. | My Organisation | • |

2. Find the organisation within the list, then click $\ensuremath{\textbf{VIEW}}$
