

How do I create my own questions and add them to the form?

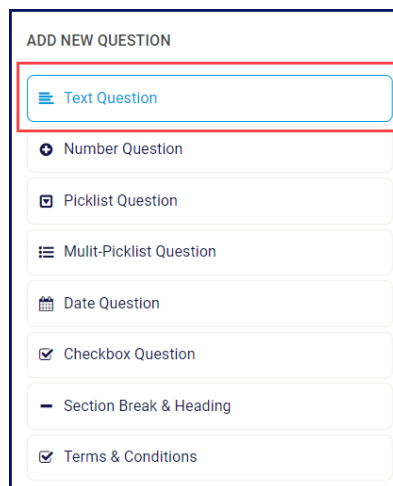

Last Modified on 07/10/2019 3:24 pm AEDT

Open the Registration form.

Select the **Questions & Layout** tab.

Scroll down to **Add New Question**, select the question type you'd like to create.

In the **Question Name**, enter the name as you want the question to appear in GameDay admin platform.

In the **Question Text**, enter your question.

If the question is mandatory, tick the box **IsMandatory for User**.

Click **Save**.
