How do I report on custom question from a registration form?

Last Modified on 07/10/2019 3:17 pm AEDT

NOTE: to maintain privacy, there are no member names displayed in this article.

When members register, they answer questions on the registration form. You may want to report on their answers to the questions. The report is called **Member Custom Question Report**.

This report is run in the same way as all other standard reports. If you are unsure how to run a customised report, please see this article:

[How do I run and customise a report?](#)

There are a couple of things you need to do to once you have opened this report and clicked **Customize**.

By default, the customised report shows only 2 questions: Allergies and Medical.

Filter Logic: ((1) OR 2

1. Question contains "Allergies"
2. Question contains "Medical"
3. Question

OK Cancel

In the empty box, type a word from the question whose answers you want to see.

NOTE: just type 1 word that is a key word defining the question.

Filter Logic: ((1) OR 2

1. Question contains "Allergies"
2. Question contains "Medical"
3. Question

OK Cancel

Click OK. This adds the filter to the list.

Filter Logic: ((1) OR 2) AND 3

1. Question contains "Allergies"
2. Question contains "Medical"
3. Question contains "coach" [Edit](#) [Remove](#)

Don't be concerned that there are no results. You still have to do the next step.

Changing the logic

Above the filter list is a box called Filter Logic.

Hover over this line, then click Edit.

Filter Logic: ((1) OR 2) AND 3 [Edit](#) [Remove](#)

1. Question contains "Allergies"

Change the word AND to OR.

Filter Logic ((1) OR 2) OR 3

1. Question contains "Allergies"

Click OK.

id Answer Date Range All Time From To

Filter Logic ((1) OR 2) OR 3 [OK](#) [Cancel](#) [Remove](#)

1. Question contains "Allergies"
2. Question contains "Medical"
3. Question contains "coach"

You should now see a list of members who have answered any of the questions you have selected.
