

Configuring your Main Shop landing page

Last Modified on 12/07/2019 11:06 am AEST

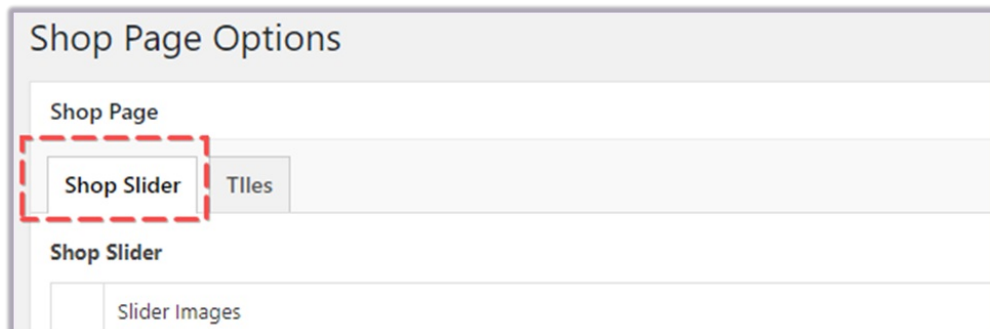

Step 1 - Log into the dashboard of your website by going to [yourdomain.com/wp-admin](#)

Step 2 - Click on Site Options >> Shop Page Options

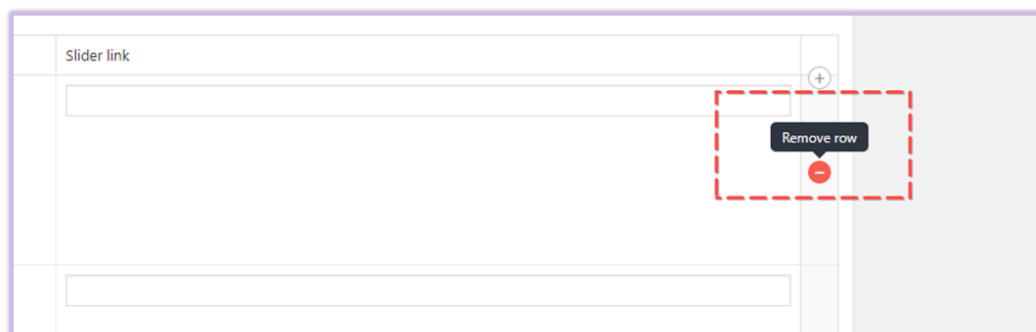

Adding Slideshow Banners

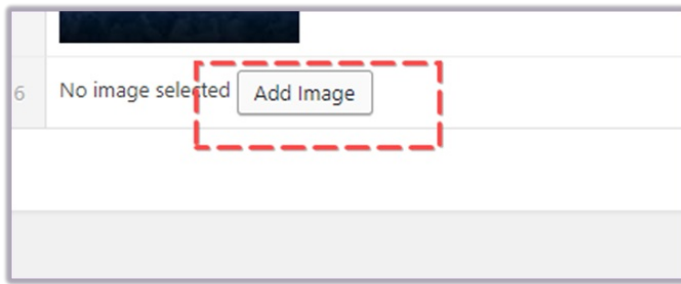

Click on the Shop Slider Tab

Remove the existing slideshow banners that have been added as placeholders by clicking the remove icon on the right

To add a new slideshow, click Add Row at the bottom of the page then click "Add Image"

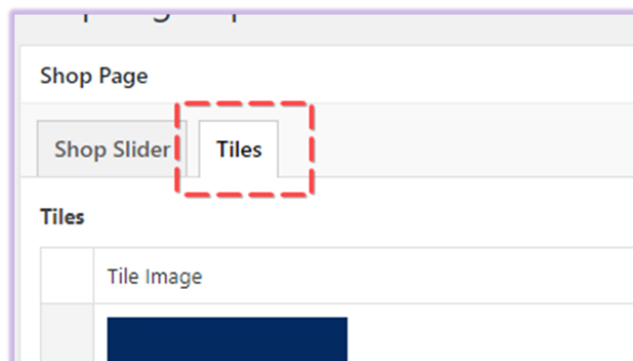

You can select an image from your Media Library or Upload an image from your computer by clicking “upload files”

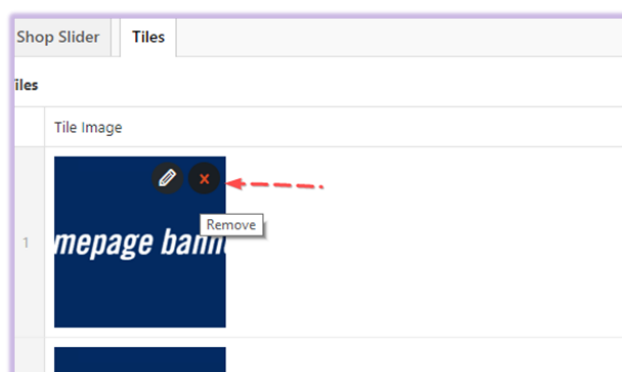

The correct image dimensions for the Shop Slideshow Banner is 1110 x 480 pixels

Adding Slideshow Banners

To change the Promotional Tiles on the Main Shop Page, click the “Tiles” tab at the top

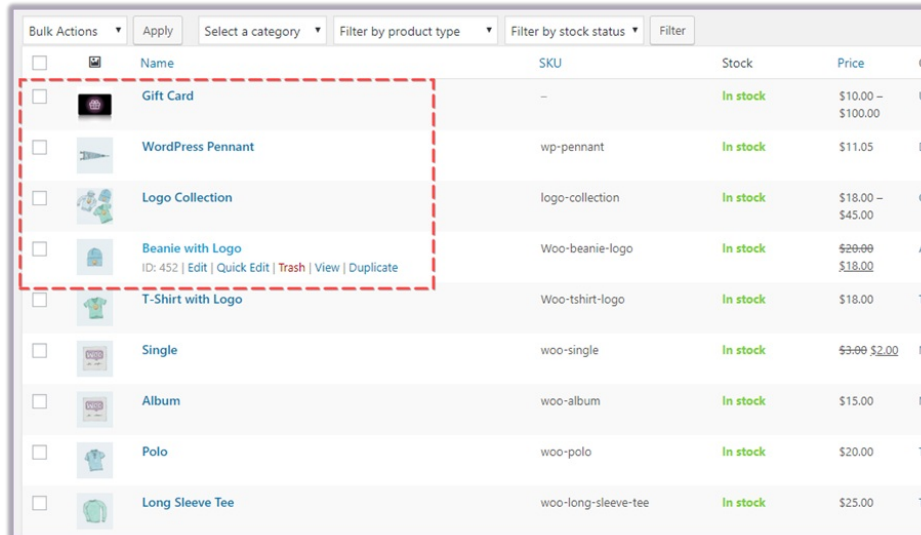

Much like changing the Banner Slideshow images before, you can remove the existing tiles and replace them with new ones by hovering over the image and clicking remove, then adding in a new image. Or you can scroll down to the bottom

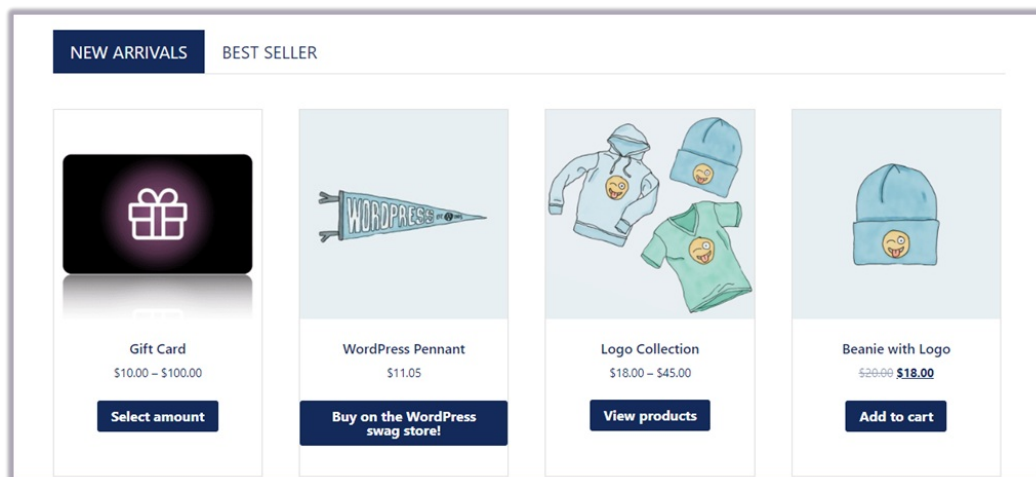

The correct image dimensions for the Shop Slideshow Banner is 519 x 288 pixels
