GAMEDAY

Release Notes: 23 January 2019

Last Modified on 30/01/2019 3:59 pm AEDT

In this release we:

- fixed individual client issues and post upgrade/migration support.

Resolved Issues:

- Unable to remove questions from registration forms as this was bringing up an error
- Member is prompted to pay for a mandatory product they have already purchased such as an association fee
- Member updates failed to propagate to member profiles
- Members were incorrectly linked as duplicates
- Member paid for registration but is not showing as financial
