How do I edit my organisation details?

Last Modified on 06/10/2022 2:55 am AEDT

Click the arrow against My Organisation and select Organisation Details:

Click the field you would like to edit. This makes the field editable.

Make the required change within the field/s and click **Save**.

The types of organisation fields that can be managed & viewed are:

- Physical & Mailing Address
- Contact Details & Social Media links
- Organisation Type & Status
- Business, Incorporation & Tax Identification Numbers
- Timezone
- Customer Plan (View Only)

Note: Organisations can add their Website, email, phone & Social Media Links which will appear on all registration forms in the footer to make it easy for members & participants to get in contact with your organisation
