How do I create a new season?

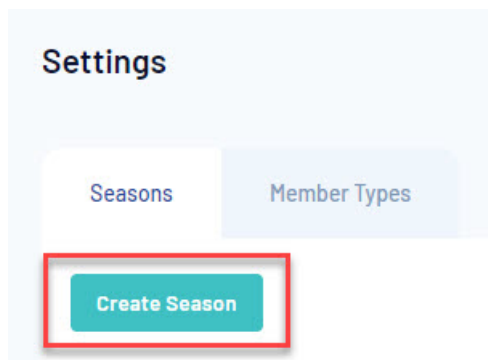

Last Modified on 19/04/2021 3:39 pm AEST

NOTE: you can only create seasons if you are a **NATIONAL** organisation. If you are a league or club and the upcoming season is not listed yet or you need a new season created, please speak to your national body.

1. Click the arrow against **My Organisation**, click on **Settings**.

2. Under the **Seasons and Age Groups** tab, click on **Create Season**.

3. Input the season name and start and end dates of the season, then click **create**.

Create Season ✕

Name *

Season Start Date *

Season End Date *

To edit the season at any point, click the **edit** button next to the season.
