When editing a Membership Form or Event in GameDay, you can remove questions that have been added to the form layout by you or another admin from your database.

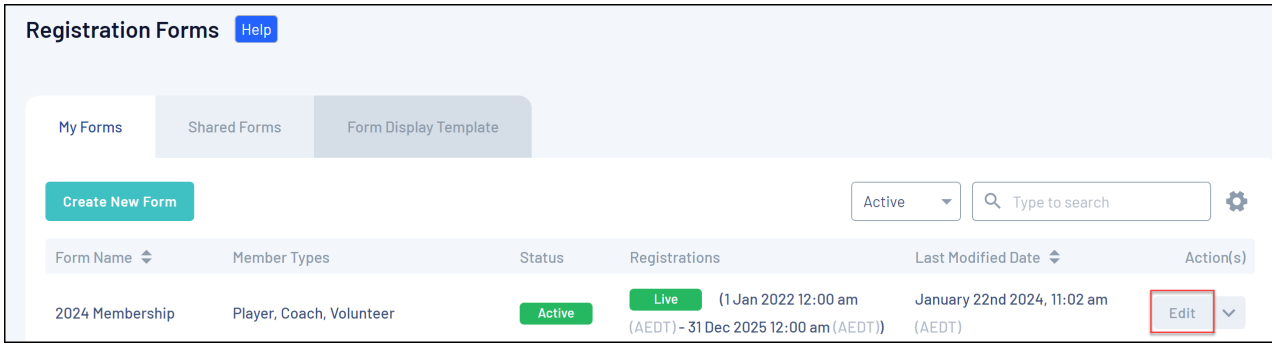

> **Note**: You cannot remove questions that have been locked onto the form by a higher-level administrator

To remove a question from a Membership Form:

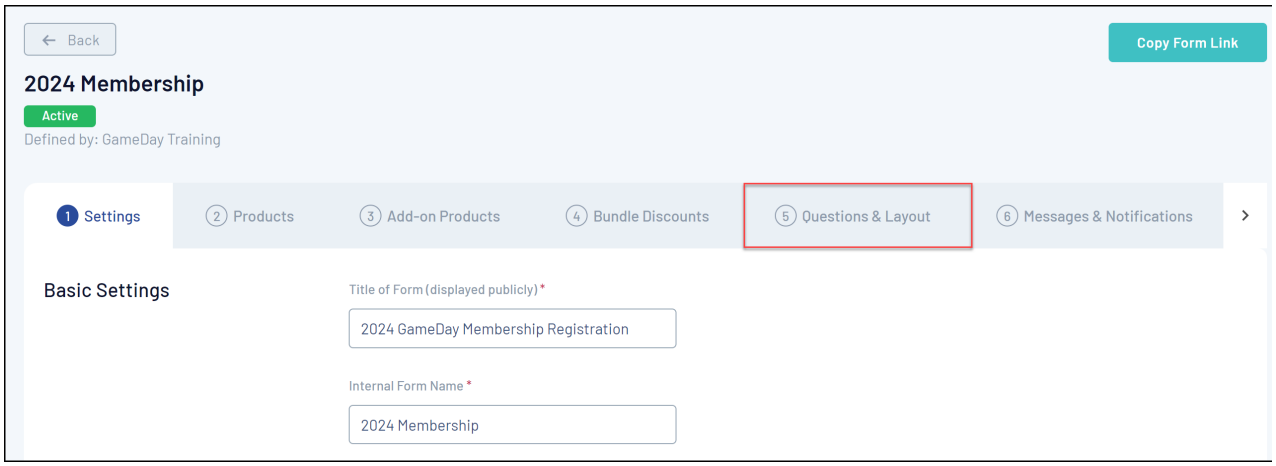

1. In the left-hand menu, click **Membership Forms** > **MEMBERSHIP FORMS**

2. Click **EDIT** next to the relevant form

3. Click the **QUESTIONS & LAYOUT** tab

4. Find the relevant question, then click the drop down arrow next to the question to expand it.

5. Click **REMOVE QUESTION**

6. Click **YES** to confirm
