

How do I delete a question from the form?

Last Modified on 23/04/2021 9:08 am AEST

NOTE: you can only delete questions you add. If questions are passed from a higher level, they cannot be deleted.

1. Edit the registration form.
2. Select the **Questions & Layout** tab.
3. Click on the **drop down arrow** next to the question name, to expand the question detail tab.
