

How do I apply age validation filters to my product?

Last Modified on 16/01/2024 3:17 pm AEDT

If you are collecting fees through GameDay using the [Products](#) feature and would like your product to only be visible to members of a particular age or age range, you can set this within the product itself by following the steps below:

1. In the left-hand menu, click **PRODUCTS & QUESTIONS**

2. **EDIT** the relevant product

Products & Questions [Help](#)

Products | Product Attributes | Questions

[Create New Product](#) | All Product Types | Active |

Product Name	Product Type	Product Sub Type	Price	Payment	Owner	Status	Action(s)
Junior Membership Fee 2023	Membership	N/A	\$ 50.00 AUD SALE	Payment Gateway or Manually set Product as Paid	GameDay Training	Active	Edit
Junior Membership Fee 2022	Membership	N/A	\$ 75.00 AUD	Payment Gateway or Manually set Product as Paid	GameDay Training	Active	Edit

3. Go to the **DISPLAY RULES** tab

[← Back](#)

Junior Membership Fee 2023

Only show to gender

Only show to member type(s) All Member Types

Show this product to all ages? Yes No

5. You can then set the following age validation rules:

- **Minimum Age Only:** The member needs to be at least a certain age in order to see this product when registering

Only show to gender

Only show to member type(s) All Member Types

Show this product to all ages?

Please select a minimum and/or maximum age for participants

Minimum age Maximum age (One of these can be left blank)

- **Maximum Age Only:** The member can be no older than a certain age in order to see this product when registering

Only show to gender

Only show to member type(s) All Member Types

Show this product to all ages?

Please select a minimum and/or maximum age for participants

Minimum age Maximum age (One of these can be left blank)

- **Minimum/Maximum Age Range:** The member needs to be within a specific age bracket in order to see this product when registering

Only show to gender

Only show to member type(s) All Member Types

Show this product to all ages?

Please select a minimum and/or maximum age for participants

Minimum age Maximum age (One of these can be left blank)

When setting the age validation rule, you have various options by which to determine the date of effect:

- **Season Start Date:** Set the age validation to take effect on the start date of a **season** from your database.
 - For example, *members should be between 5 and 17 years old as of the start of the 2024 season*

Only show to gender

Only show to member type(s) All Member Types

Show this product to all ages?

Please select a minimum and/or maximum age for participants

Minimum age Maximum age (One of these can be left blank)

on

- **Season End Date:** Set the age validation to take effect on the end date of a [season](#) from your database.
 - For example, *members should be between 5 and 17 years old as of the end of the 2024 season*

Only show to gender

Only show to member type(s) All Member Types

Show this product to all ages?

Please select a minimum and/or maximum age for participants

Minimum age Maximum age (One of these can be left blank)

on

- **Specific Date:** Choose a specific date by which the age validation rule is calculated.
 - For example, *members should be between 5 and 17 years old as of 1 September 2024*

Only show to gender

Only show to member type(s) All Member Types

Show this product to all ages?

Please select a minimum and/or maximum age for participants

Minimum age Maximum age (One of these can be left blank)

on

- **Registration Date:** Calculate the member's eligibility on the date of registration
 - For example, *members should be between 5 and 17 years old on the date of registration*

Only show to gender

Only show to member type(s) All Member Types

Show this product to all ages?

Please select a minimum and/or maximum age for participants

Minimum age Maximum age (One of these can be left blank)

on

6. Once you've finalised your age validation rule, click **SAVE**
