Overview

The **Organisation Dashboard** displays a series of widgets with visual data insights related to your GameDay data, including membership, financial and event summaries and seasonal breakdowns. All databases have an organisation dashboard available for them to view directly through GameDay. Organisations that are part of a hierarchy will have information displayed on their dashboard that encompasses their database, plus that of any child organisations linked below them in the hierarchy.

Accessing your Organisation Dashboard

You can find your organisation dashboard at any time by selecting the **DASHBOARD** option at the top of the left-hand menu:

Customising Widgets

Using the **My Widgets** filter option in the top-right corner of the dashboard, you can add or remove specific widgets from the dashboard as you see fit:
