

## How do I register for an Event?

Last Modified on 15/04/2024 3:18 pm AEST

As a participant, you can register for a specific event using GameDay's online event registration forms and landing pages, allowing you to enter your participant details, pay any applicable fees online, and see any event details or messages.

To register, open your event's GameDay landing page, then:

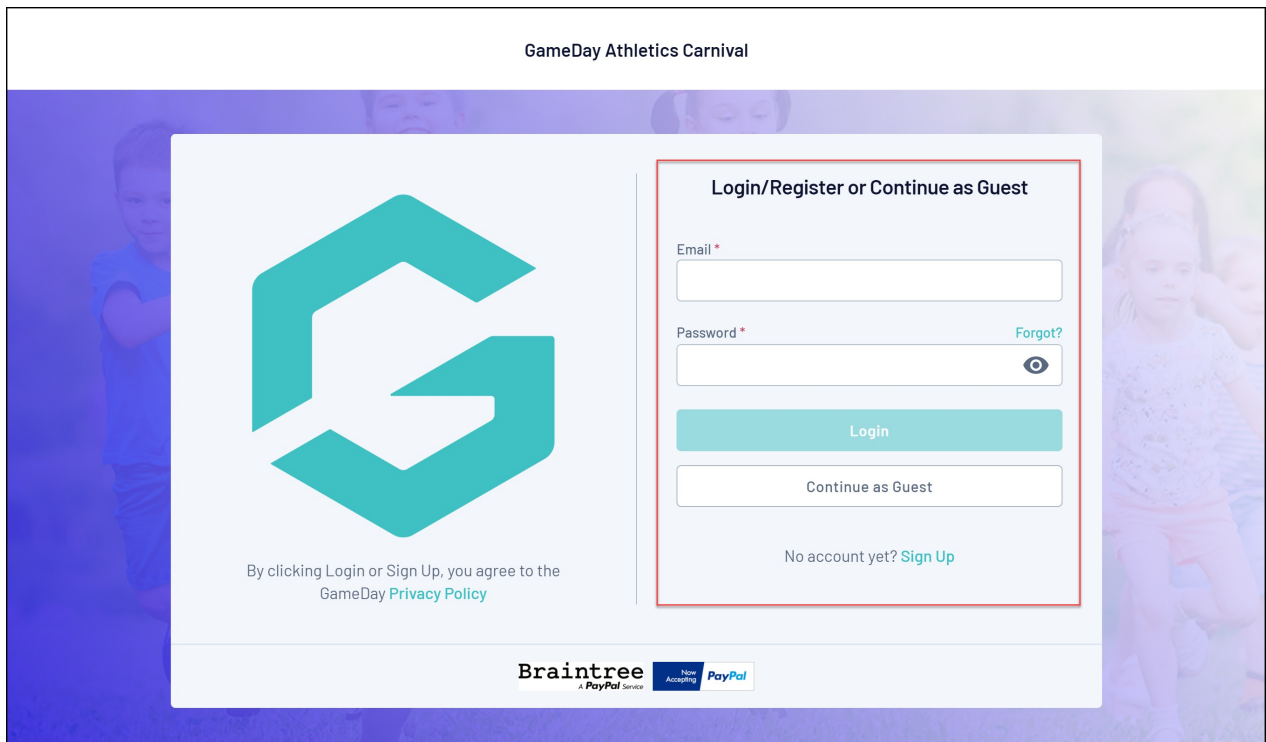

### 1. Click **REGISTER NOW**

A screenshot of a GameDay event landing page. The page has a white header with the GameDay logo and navigation links for 'About', 'Products', and 'Participants'. On the right side of the header are icons for a globe, a telephone, and a social media handle. Below the header is a large blue banner with the GameDay logo, the date '31 Jul 2023', and a white 'Register Now' button. Underneath the banner, there is a light blue sidebar on the left containing event details: 'Event Website', a phone number '+61400100200', an email 'hello@mygameday.app', a start time '9:00 AM', the location 'GameDay HQ' at '132 Cremorne Street, Cremorne, Victoria, Australia, 3121', and a price range '\$0.00 - \$100.00'. To the right of the sidebar is the 'About The Event' section, which includes the text 'Welcome to the GameDay Athletics Carnival 2022!'.

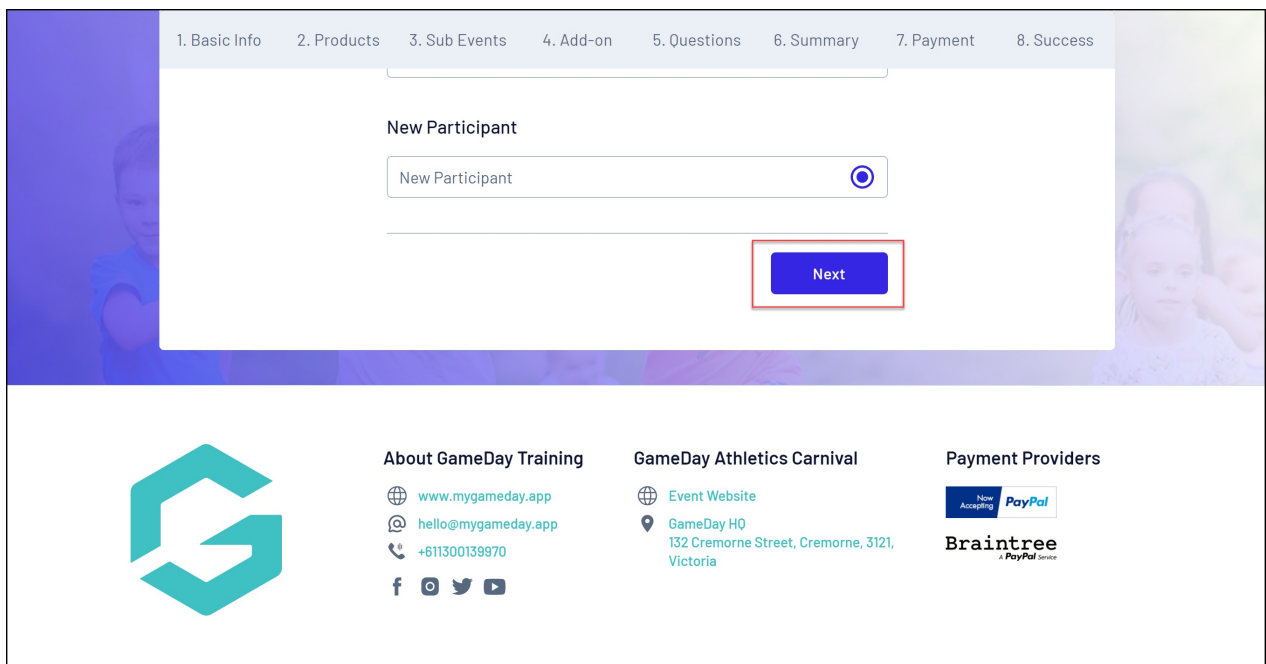

2. Login with your GameDay account - if you don't have one, use the **SIGN UP** button to create your account.

**Note:** After creating your account, be sure to check your nominated email inbox for the verification email before continuing with your registration.

If you don't want to create a GameDay account, you may have the option to register as a guest using the Continue as Guest option, if the event organisers have chosen to enable guest entry.

3. On the first page of the form, you can choose to register a **Linked Participant** (if you have previously registered through GameDay) or register as a **New Participant**. Make your selection, then click **NEXT**.

4. Enter your **BASIC INFORMATION**

On the **Basic Info** page, you can enter:

- **Profile Image**
- **First and Last Name**
- **Birthdate**

- **Gender at Birth**
- **Gender Identity**
- **Email Address**
- **Mobile Number**
- **Member Type**

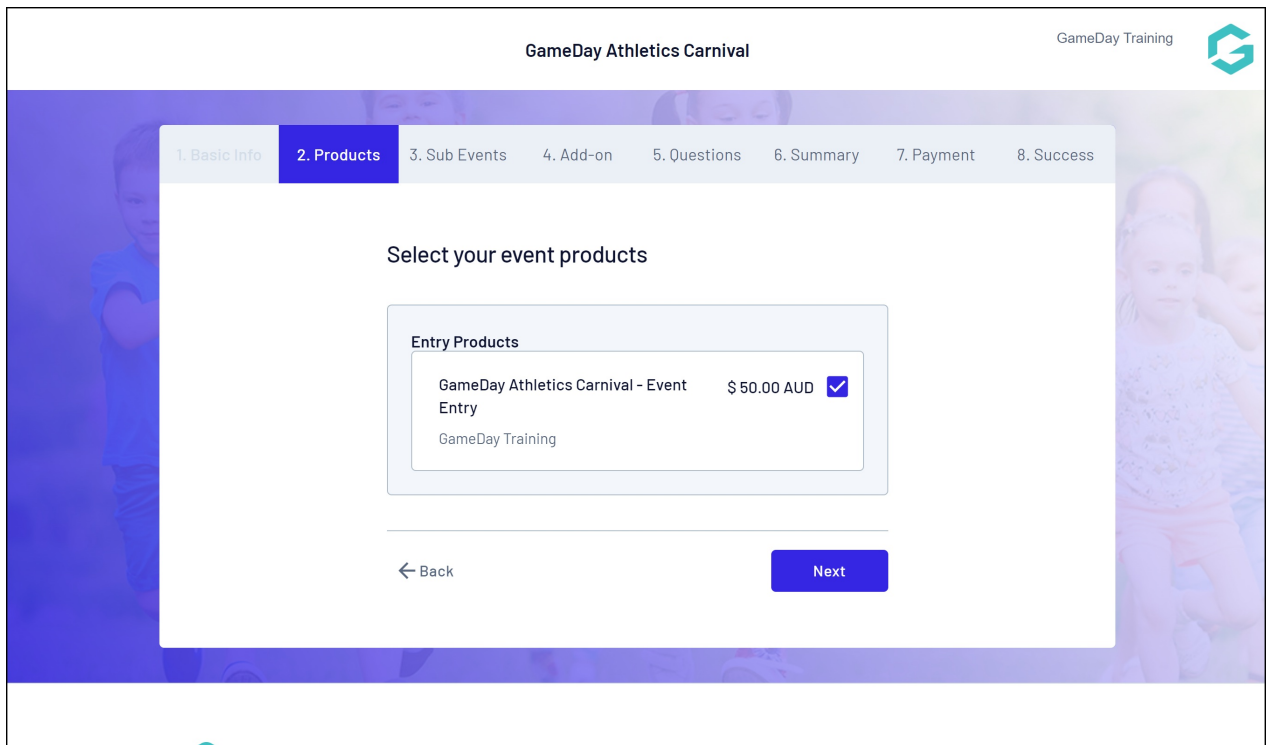

The screenshot shows a registration form with a progress bar at the top containing eight steps: 1. Basic Info (active), 2. Products, 3. Sub Events, 4. Add-on, 5. Questions, 6. Summary, 7. Payment, and 8. Success. The main content area is titled "Let's add your basic details" and contains a section for "Basic Information".

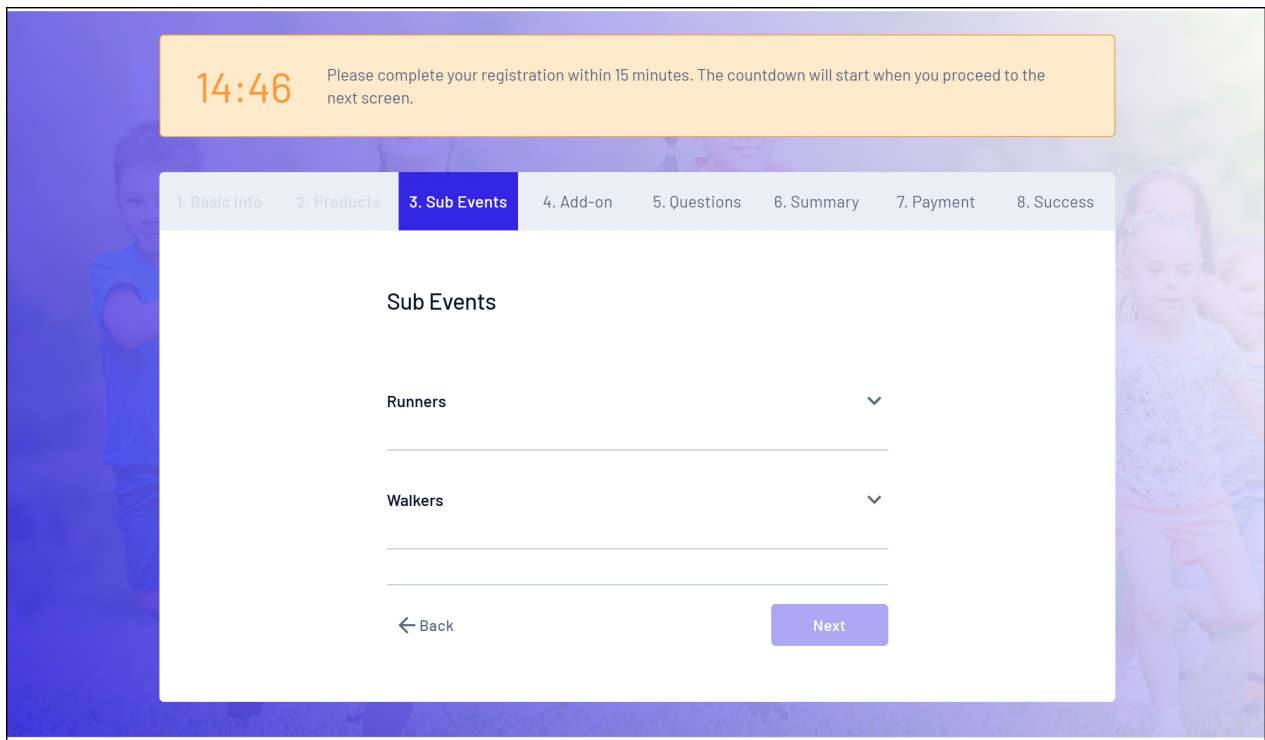

Under "Basic Information", there is a "Profile Image" field with a question mark icon, displaying a green logo with a white 'G'. Below it is an "Edit Image" link. The "First Name" field contains "Tom", the "Last Name" field contains "Jackson", and the "Birthdate" field is a dropdown menu showing "04 May 2006".

5. Select a **PRODUCT**. This will determine the fee to be paid at the end of the registration process.

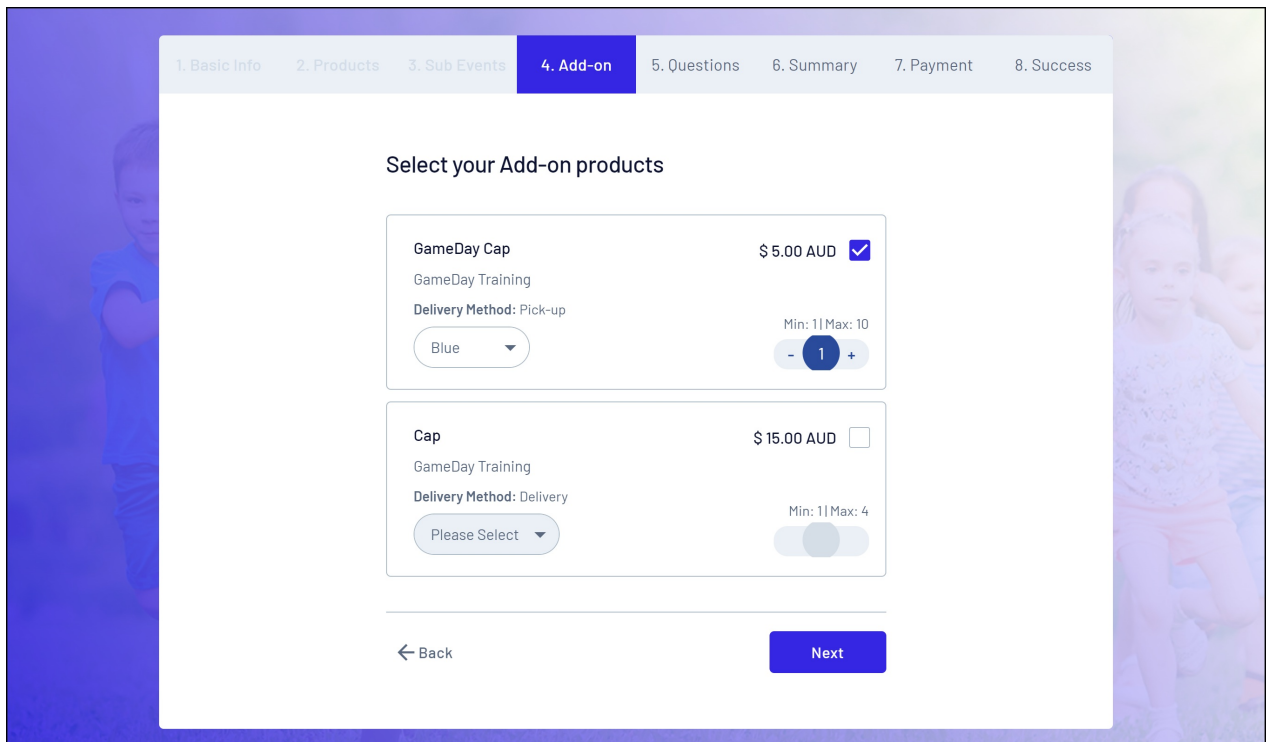

**Note:** Products are always configured by the organisation running the event. If you have any questions about the fees to be paid or the selection of available products, please contact the organisation directly.

6. If your organisation has provided the option, you may also be able to select a **SUB EVENT** to register into.

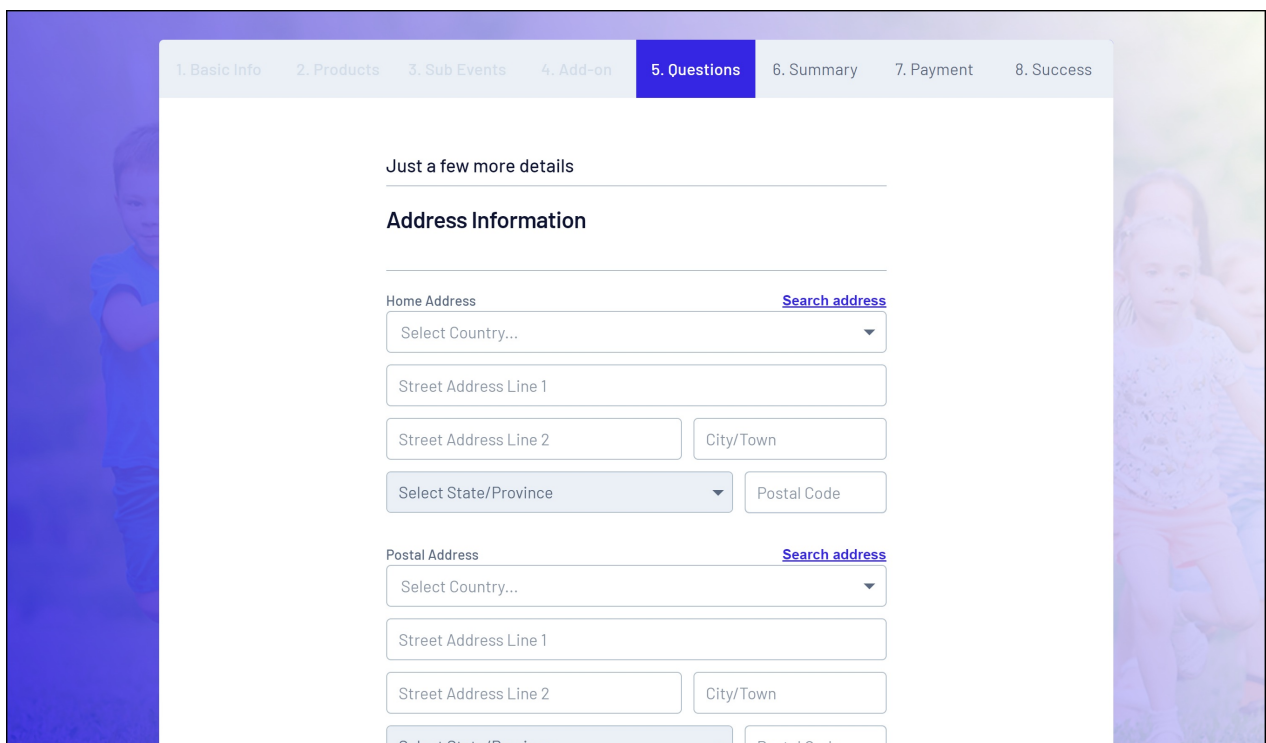

7. If your organisation has provided the option, you may also be able to select an **ADD-ON PRODUCT** to purchase.

8. Answer any additional **QUESTIONS** and review and accept and **TERMS & CONDITIONS**

Note: The questions that appear on this page are determined by the event organisers and will vary for each event.
