## Where can I view the information entrants answered within event form?

Last Modified on 20/01/2023 1:59 pm AEDT

Viewing the information entrants answered within the event form is similar to that of how you would normally view this for normal registrations with a slight difference.

Once you have found the [entrants who have registered to the event](#) please follow the below on how to find information answered within the event form:

1. Click **VIEW** against the relevant entrant.
2. Click the **drop down arrow against the organisation** in which the event was created in.

*E.g if the event was created at State A level, then there should be a State A level organisation sitting against this entrant.*

3. Scroll down the page to find the **EVENT REGISTRATIONS** heading.

Event Name	Event Product	Price	Quantity	Order Status	Action(s)
