

How do I view event details and tickets via the app?

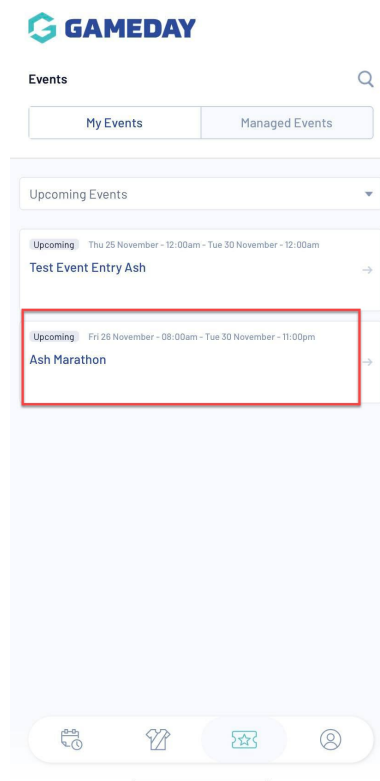

Last Modified on 19/11/2021 1:19 pm AEDT

If you are an entrant and wish to view details for the event or the ticket/QR code for the event you are registered to, you can also do so via the app.

1. Log into the GameDay app using the details you used to register for the event.
2. Click on the **EVENTS** tab at the bottom of the screen.

3. Select the relevant event under the **MY EVENTS** heading.

4. Under the **MY TICKETS** tab, you will see list of your tickets (the products purchased within the event form). Click into the relevant ticket.
