# Navigating GameDay

15/01/2026 5:26 pm AEDT

GameDay's left-hand menu provides organisation administrators with a variety of modules and sub-menu options covering the full scope of GameDay's functionality.

To expand a menu section, click the arrow to the right of the menu text (where available)

You can also show or hide the entire left-hand menu using the horizontal arrow that displays when hovering over the menu.

Your browser does not support HTML5 video.

GameDay's available menus are defined below:

Dashboard & Toolbar

The Dashboard and Toolbar allow you to:
- See visual data insights relating to members and events
- Search for information across your database
- Access *GameDay Community*
