How do I configure Member IDs to show in my member list?

16/07/2025 12:46 pm AEST

Overview

To help you manage your member information more effectively, GameDay allows you to configure which Member ID fields are visible in your member list. This lets you see assigned IDs for your members at a glance from the 'By Member Organisation' tab, making it easier to find and identify specific individuals.

Note: The available Member ID options (e.g., National, State, Club) may vary depending on your sport and hierarchy structure

Step-by-Step

Step 1: Navigate to the Members screen

In the left-hand menu, click Members > MANAGE MEMBERS

Step 2: Select the 'By Member Organisation' tab

On the Members screen, navigate to and click the BY MEMBER ORGANISATION tab
