

## How do I edit a Generic Promo Code?

Last Modified on 09/04/2024 3:13 pm AEST

Once you've created a Generic Promo Code, you can view and edit various information attached to the Promo Code, including discount amount, applications, and a log of usage statistics.

To edit an existing Generic Promo Code:

1. In the left-hand menu, click **PROMOTIONS**

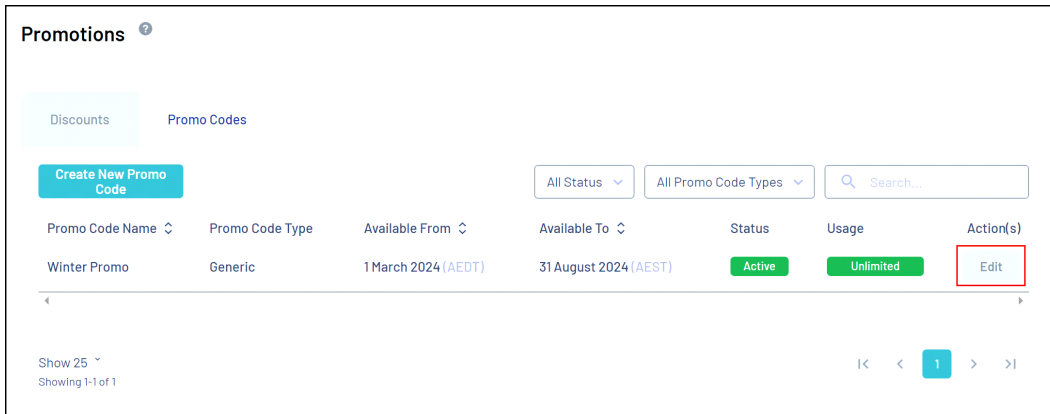

2. Select the **PROMO CODES** tab

From this tab, you will be able to view and edit any Promo Codes that have been created.

3. Click **EDIT** on the Generic Promo Code you want to update

You will see the following three tabs:

## Details

The **Details** tab will allow you to edit the description, product type, the amount of the promo code, the date availability, the usage limits, and whether or not the promo code is active
