

Global Create

Last Modified on 30/10/2023 2:43 pm AEDT

All GameDay administrators have access to the **Global Create** feature, allowing quick and easy creation of particular assets.

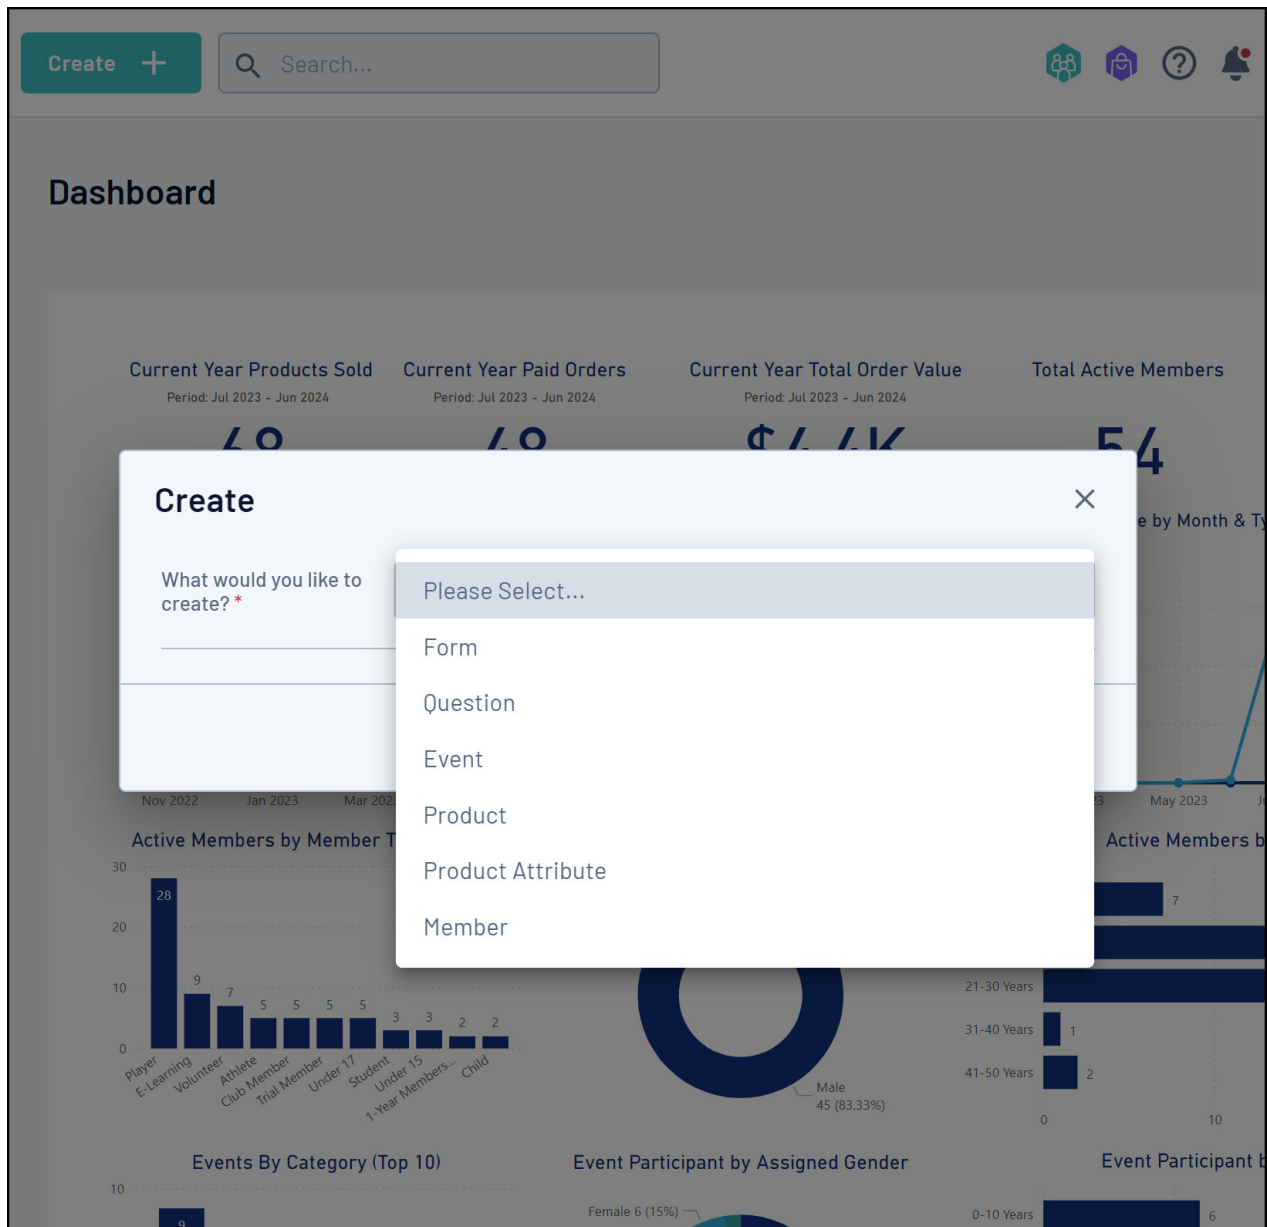

To access the Global Create option:

1. Click the **CREATE** button in the top toolbar

2. Choose what you would like to create. Using this option, you can create:

- **Form:** Allows you start building your member's registration journey by creating a new [Membership Form](#)
- **Question:** Allows you to define the information you want to collect through registrations by creating a new [Custom Question](#)
- **Event:** Allows you start building your end-to-end event journey by creating a new [Event](#)
- **Product:** Allows you to define the fees you want to collect through registration forms and event by creating a new [Product](#)
- **Product Attribute:** Allows you to define selectable options for Add-on Products (I.e. T-Shirt Size) by creating a new [Product Attribute](#)
- **Email Template:** Allows you to start composing regular email content by creating a new [Email Template](#)

3. After selecting an option, enter the basic information of the asset, then click **CREATE** and continue through the setup wizard
