NOTE: This add on has to be enabled for your organisation. To check if this is available for your website, [check Your Website Features Dashboard](#).

The Counter can be used to display the number of members your organisation currently has as well as a way for others to join if they wish to, which you can link to a registration form etc. Or sales, or donations or any other form of counting.

NOTE: the Counter does not automatically update when a participant joins as this is not linked to your database or anything like that - it has to be manually updated as needed.

1. Under the **SECTIONS** header click on the **COUNTER** tab.

Sections

2. If this panel is not set to show on your website yet, then make sure you click **the button to SHOW** this widget on your website and **adjust the order** of where you would like this to sit within your website.

3. You can also add a specific background colour for this panel or even an image.

The screenshot shows the configuration interface for the Counter widget. At the top, there is a navigation bar with tabs: Banner, News, Match Centre, Social Feed, Video Feed, Counter (selected), Events, Old Events, CTA, Partners, Additional Partners, and Custom Content. Below the navigation bar, there are four main configuration panels:

- Overview:** A member counter is a great way to show how popular your club is and encourage people to join.
- Show Panel:** Show or hide this panel. A green 'Show' button is visible.
- Panel Order:** 1 = top of page. A text input field contains the number '5'.
- Background Colour:** Set a custom colour for this section. A 'Select Colour' button is visible.
- Background Image:** Set a background image for this section, will override background colour. A preview image shows sports equipment like a tennis racket, a soccer ball, and a badminton racket.

4. Input a title for this page panel (e.g 2020 Members)

5. If you wish to add a line of how to join etc, you can put this under the title line.

Title

The title will display at the top of the panel.
