

## Header - Website Link Menu - Add On

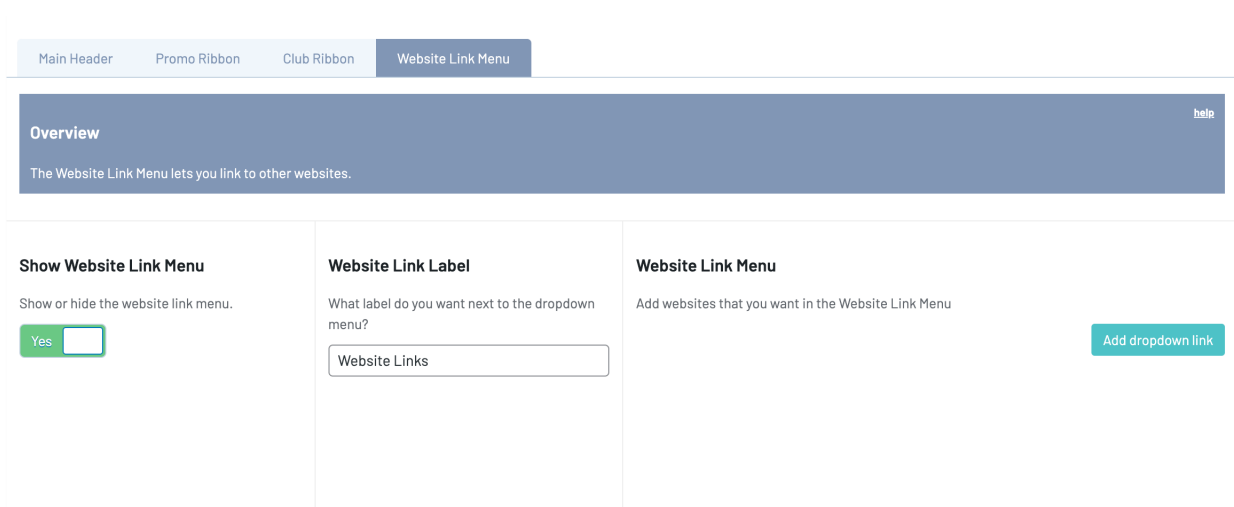

Last Modified on 16/06/2023 2:02 pm AEST

The Website Link Menu is a drop-down menu that can display a list of links underneath your website logo. This will display on all pages in the top left-hand corner.

Once you are logged into your website, scroll down to the Header section. Select this section to expand it.

Select the **Website Link Menu** tab to access the club ribbon settings

### Show Website Link Menu

Toggle this switch to Yes to display the website link menu

### Website Link Label

Type in the text you would like to display as the menu name.

### Website Link Menu

Click the Add drop-down link button to add an item to the website link menu

Enter the text you would like to display in the menu in the Label text box.

Insert the website link for this item into the URL text box.

Hover over the item and select the + icon to add a row

**Website Link Menu**
