

Additional Partners

Last Modified on 15/11/2022 11:33 am AEDT

NOTE: This add on has to be enabled for your organisation. To check if this is available for your website, check your [GameDay Dashboard](#).

If you want to add extra partners that display separate from your [major partners panel](#), then you can do this within the **ADDITIONAL PARTNERS** section. This panel displays as an automated scroll.

1. Under the **SECTIONS** header click on the **ADDITIONAL PARTNERS** tab.

Sections

[help](#)

These sections will be used to build your home page. They can also be added to sub pages on your website.

2. If this panel is not set to show on your website yet, then make sure you **click the button to SHOW** this widget on your website and **adjust the order** of where you would like this to sit within your website.

3. You can also add a **specific background colour** for this panel or even an image.

Here you have the ability to keep all partners in the one big section or separate these out into their own sections.

4. Click **ADD PARTNER SECTION**.

Partner	Partner Image Recommend image dimension: 200px by 100px 	Partner Link <input type="text" value="www.test.com"/>
	<input type="button" value="Add Partner"/>	

8. Repeat steps 6 and 7 for any other partners you want in this section.
9. Click **ADD PARTNER SECTION** if you wish to add another section of partners and follow the previous steps.
10. Once happy, click the **PUBLISH** button at the top of the webpage.
