How do I apply a Shop Product to an existing member?

07/08/2025 3:18 pm AEST

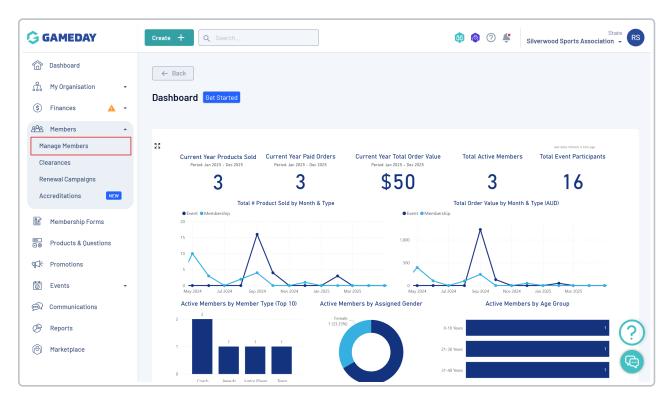

Overview

As an administrator of GameDay, you are able to manually apply an **Shop Product** to an existing member profile through the back-end admin portal.

Step-by-Step

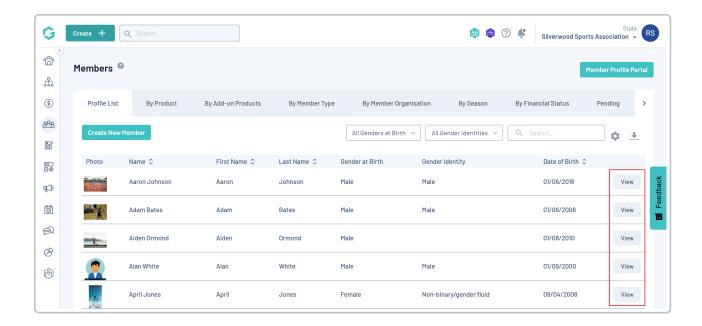

Step 1: Open your member profile list

In the left-hand menu, open the Members menu and click MANAGE MEMBERS

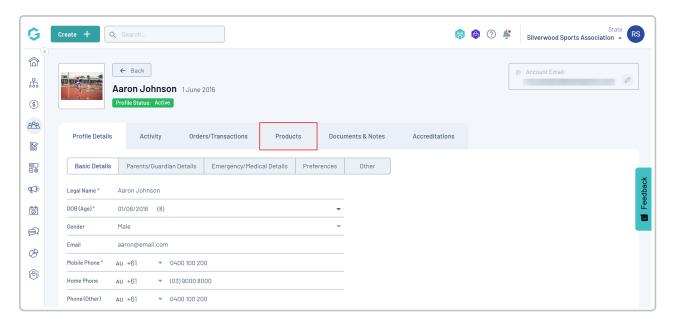

Step 2: View the relevant member profile

Find the applicable member and click **VIEW**

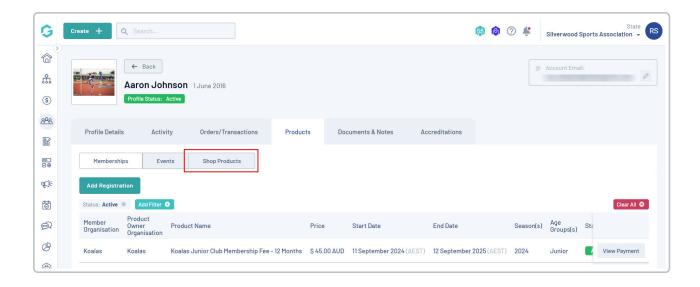

Step 3: Open the member's product page

On the member record, click the **PRODUCTS** tab

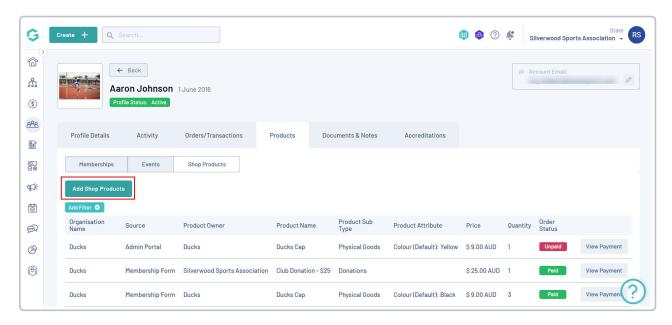

Step 4: Open the Shop Products list

Click the **SHOP PRODUCTS** tab

Step 5: Add a new product to the member profile

Click the ADD SHOP PRODUCTS button to begin the process of assigning the product to the member

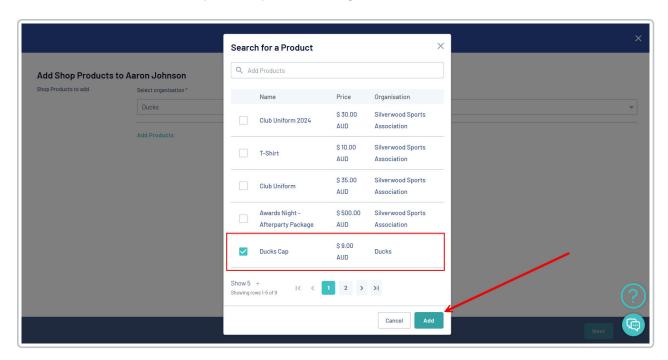

Step 6: Select the Shop Product you want to assign

Click the ADD PRODUCTS button

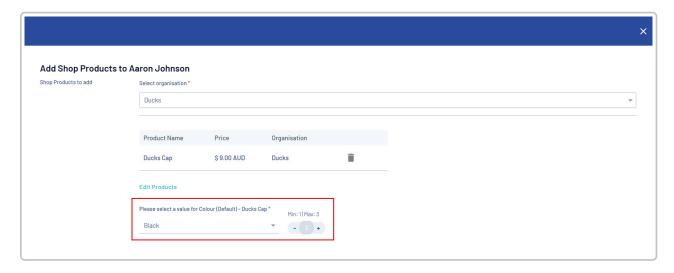

| | | × |
|----------------------|-----------------------|---|
| Add Shop Products | to Aaron Johnson | |
| Shop Products to add | Select organisation * | |
| | Ducks | * |
| | Add Products | |
| | | |
| | | |
| | | |
| | | |

Tick the checkbox next to the Shop Product you wish to assign, then click ADD

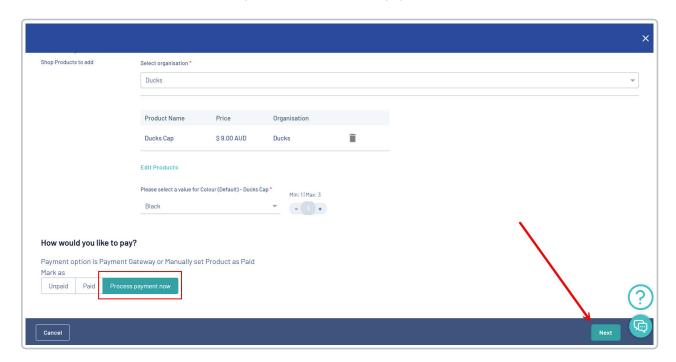

Step 7: Assign the attributes and quantity of the purchase

Select a **PRODUCT ATTRIBUTE** and **QUANTITY** (if applicable)

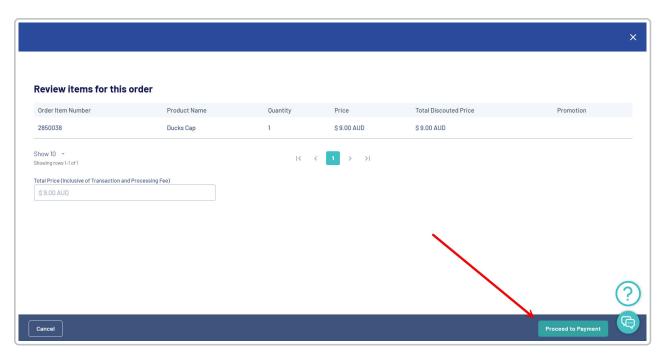

Step 8: Specify how you would like to pay

Select the PROCESS PAYMENT NOW option, then click NEXT to pay online

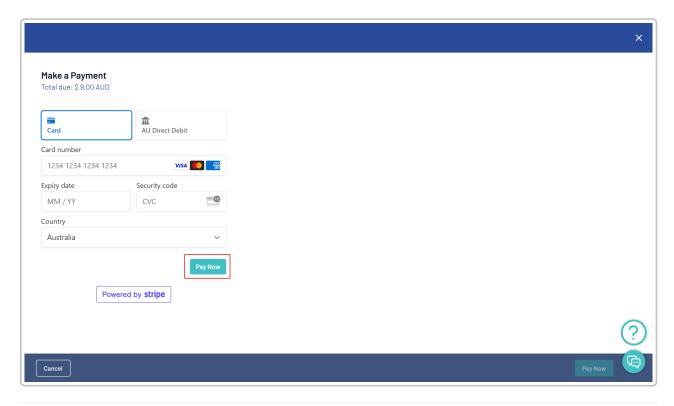

Step 9: Review the order details

Review the order details to make sure they're correct, then click **PROCEED TO PAYMENT**

Step 10: Complete payment

Enter the payment information, then click $\mbox{{\bf PAY}}\mbox{{\bf NOW}}$
