GameDay's My Organisation module provides users with essential administration tasks and features that allow you to set up your database through various key processes and automated settings.

To access the My Organisation menu, click the **MY ORGANISATION** option in the left-hand menu

The **My Organisation** menu includes the below features:

Organisation Details

Allows you to add and confirm your organisation's basic details, including your name and logo, physical and mailing address, contact details and more. You can also upload documents such as insurance, certification or application information.
