

## How do I add contact details to an event form footer?

Last Modified on 15/01/2024 10:34 am AEDT

GameDay allows administrators to configure certain contact details to feed through to all event forms, appearing in the footer section as below:

The screenshot shows a 'New Participant' form with a 'Next' button. Below the form is a footer section containing contact information for GameDay Training and GameDay Athletics Carnival, along with logos for Payment Providers (PayPal and Braintree).

1. Basic Info 2. Products 3. Sub Events 4. Add-on 5. Questions 6. Summary 7. Payment 8. Success
