

GameDay View | Overview

Last Modified on 05/09/2024 10:54 am AEST

GameDay View is a reporting dashboard dedicated to providing high-level business intelligence and insights on your organisation's membership and transactional data.

Using high-level summary data and visual insights, GameDay View is designed to give you a quick, yet powerful snapshot of certain metrics within your data set in a format that is perfect for presentations or board reports, and gives you a great overview of the health of your sport.

Note: GameDay View is currently not available to all customers. If you do not have access to GameDay View within your GameDay database, please contact GameDay directly through the enquiry form [here](#).

Accessing GameDay View
