

## How can I see an event's available products?

Last Modified on 01/11/2023 9:00 am AEDT

Each Event Landing Page will automatically show a complete list of all Products available to purchase through that event.

To find an event's Product List:

1. Open the **Event Landing Page**.
2. Select the **PRODUCTS** option in the top menu.

3. Here, you will see a list of any available products including the price and links to register for each specific product.
