## Overview

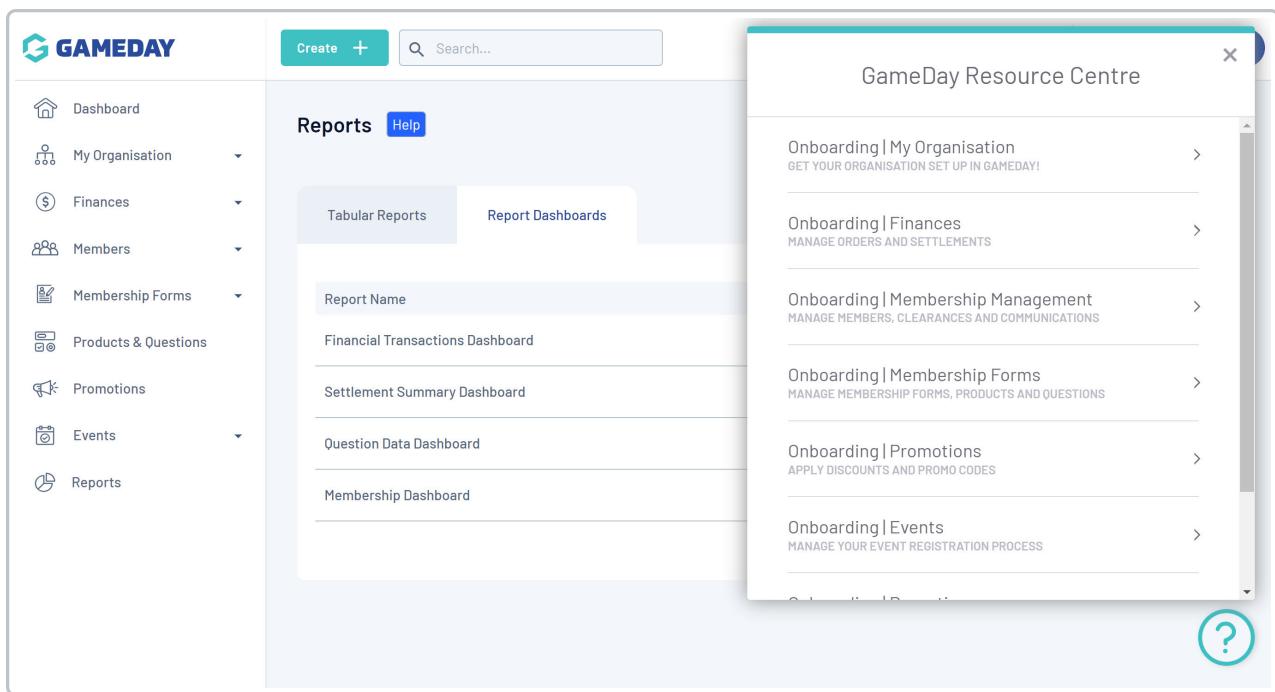

GameDay's **Resource Centre** allows all users to embark on their own self-paced learning journey entirely within the platform using a series of onboarding guides covering key features, as well as a round-up of recent releases to keep users up to date with what's happening in the platform.

The Resource Centre can be found in the bottom-right corner of the page:

Report Name	Action(s)
Financial Transactions Dashboard	<a href="#">View Report</a>
Settlement Summary Dashboard	<a href="#">View Report</a>
Question Data Dashboard	<a href="#">View Report</a>
Membership Dashboard	<a href="#">View Report</a>
	

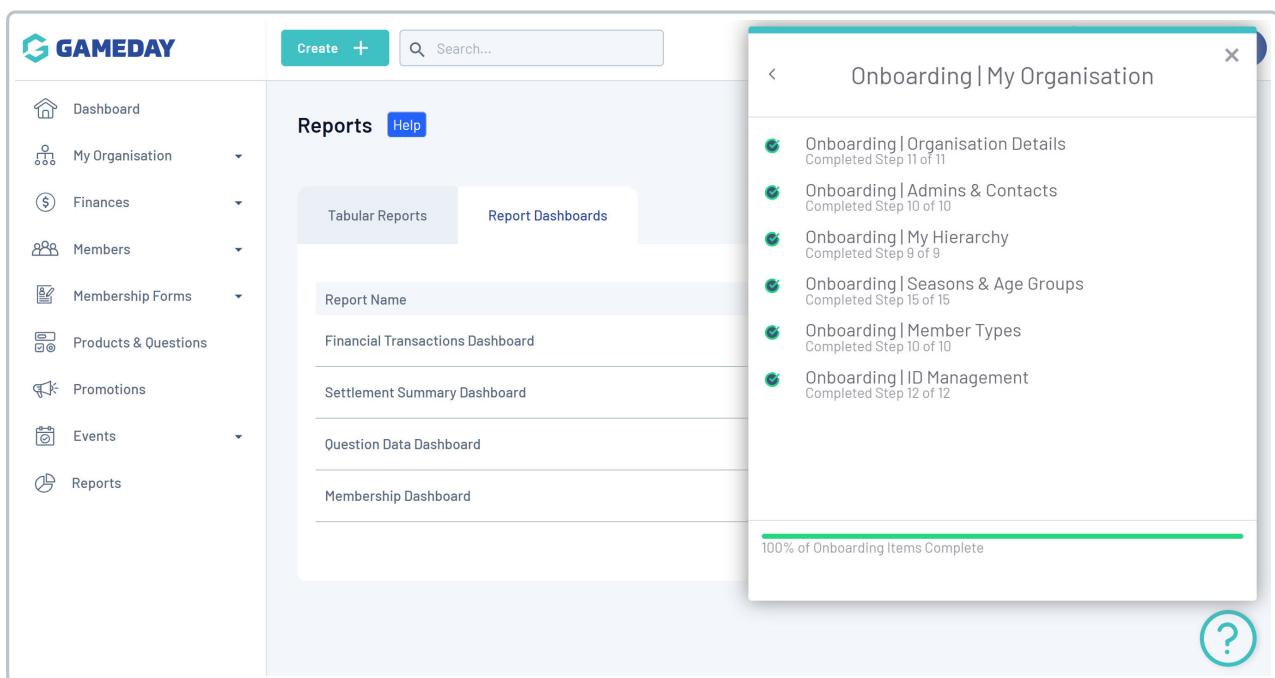

## Onboarding Guides

By opening the Resource Centre, you will instantly gain access to a suite of onboarding guides grouped according to the key menu items in the left-hand side of the page.

The screenshot shows the GameDay application interface. On the left is a sidebar with navigation links: Dashboard, My Organisation, Finances, Members, Membership Forms, Products & Questions, Promotions, Events, and Reports. The Reports section is currently active. On the right, there is a search bar and a 'Create' button. Below the search bar is a 'Reports' tab and a 'Help' button. The main content area displays a list of report dashboards: Financial Transactions Dashboard, Settlement Summary Dashboard, Question Data Dashboard, and Membership Dashboard. A modal window titled 'GameDay Resource Centre' is overlaid on the interface. This modal lists several onboarding guides: 'Onboarding | My Organisation' (GET YOUR ORGANISATION SET UP IN GAME DAY!), 'Onboarding | Finances' (MANAGE ORDERS AND SETTLEMENTS), 'Onboarding | Membership Management' (MANAGE MEMBERS, CLEARANCES AND COMMUNICATIONS), 'Onboarding | Membership Forms' (MANAGE MEMBERSHIP FORMS, PRODUCTS AND QUESTIONS), 'Onboarding | Promotions' (APPLY DISCOUNTS AND PROMO CODES), and 'Onboarding | Events' (MANAGE YOUR EVENT REGISTRATION PROCESS). Each guide has a description and a right-pointing arrow. In the bottom right corner of the modal, there is a question mark icon inside a circle.

Each onboarding guide saves your progress as you complete tasks, allowing you to track your progress as you continue to learn about GameDay's features.

The screenshot shows the GameDay application interface, similar to the previous one but with a different modal. The sidebar and main content area are identical. A modal window titled 'Onboarding | My Organisation' is overlaid. This modal lists six completed tasks: 'Onboarding | Organisation Details' (Completed Step 11 of 11), 'Onboarding | Admins & Contacts' (Completed Step 10 of 10), 'Onboarding | My Hierarchy' (Completed Step 9 of 9), 'Onboarding | Seasons & Age Groups' (Completed Step 15 of 15), 'Onboarding | Member Types' (Completed Step 10 of 10), and 'Onboarding | ID Management' (Completed Step 12 of 12). Below the list is a progress bar indicating '100% of Onboarding Items Complete'. A question mark icon inside a circle is in the bottom right corner of the modal.

## Guide Content

Each guide will walk you through an introductory tour of the selected feature, explain how it works, and provide useful links to learn more detailed processes.

The Admins & Contacts section allows you to control who has access to your organisation's database. It can also be a helpful way of storing any other organisation contacts that may not need to have administrator access to your database.

Your Admins & Contacts list shows you anyone that has been added as a Contact previously.

A Contact refers to anyone that you have added to this list, regardless of whether or not they have administrator access to your database.

An Admin refers to a Contact who has been granted access to log in to your organisation's GameDay database.
