## How do I assign Accreditations to members in bulk?

Last Modified on 01/05/2024 3:30 pm AEST

Through GameDay's [Accreditations](#) feature, you can assign any of your custom accreditations to portions of your members in bulk by following the steps below:

**Note:** The process for assigning an Accreditation to an individual member is slightly different. You can learn how to do that [here](#)
