Overview

Using GameDay's Member Profile Portal, participants who have registered for an organisation at any time can login and update the member details they have provided as part of their registration, such as gender identity, contact details and address.

Accessing the Member Profile portal

The GameDay membership portal link can be found [here](#)

In addition to the generic portal link above, each sport has the ability to generate their own sport-specific membership portal that they make place on their website, social media channels or send around by other means.

Note: If you are a GameDay administrator, [click here](#) to learn how to access your sport's member profile portal

To login to the Member Profile Portal, you can use the same credentials you used to register for the sport. If you can't remember your password, you can reset it using the Forgot Password? link on the login page
