Overview

As a participant who is currently, or has previously been, an event entrant with an organisation that uses GameDay for events or ticketing registrations, you can login to your Member Profile Portal at any time and check your active and historical event registrations, including the event details, organisation, current status, and unique participant ID

Accessing the Member Profile portal

The GameDay membership portal link can be found here

In addition to the generic portal link above, each sport has the ability to generate their own sport-specific membership portal that they make place on their website, social media channels or send around by other means.

> **Note**: If you are a GameDay administrator, click here to learn how to access your sport's member profile portal
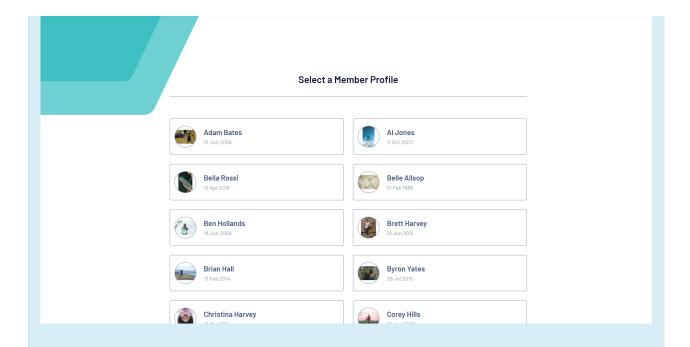

To login to the Member Profile Portal, you can use the same credentials you used to register for the sport. If you can't remember your password, you can reset it using the Forgot Password? link on the login page

Step-by-Step

Step 1: Choose your member

When you login to the Member Profile Portal, you will need to select the member profile you want to access. This may be a single member, or you may have multiple member profiles appearing here if you have used your account email (the email you used to login) to register multiple members to the sport. Select the relevant member to continue on to their profile
