

# How do I find a list of my Shop orders?

01/09/2025 1:27 pm AEST

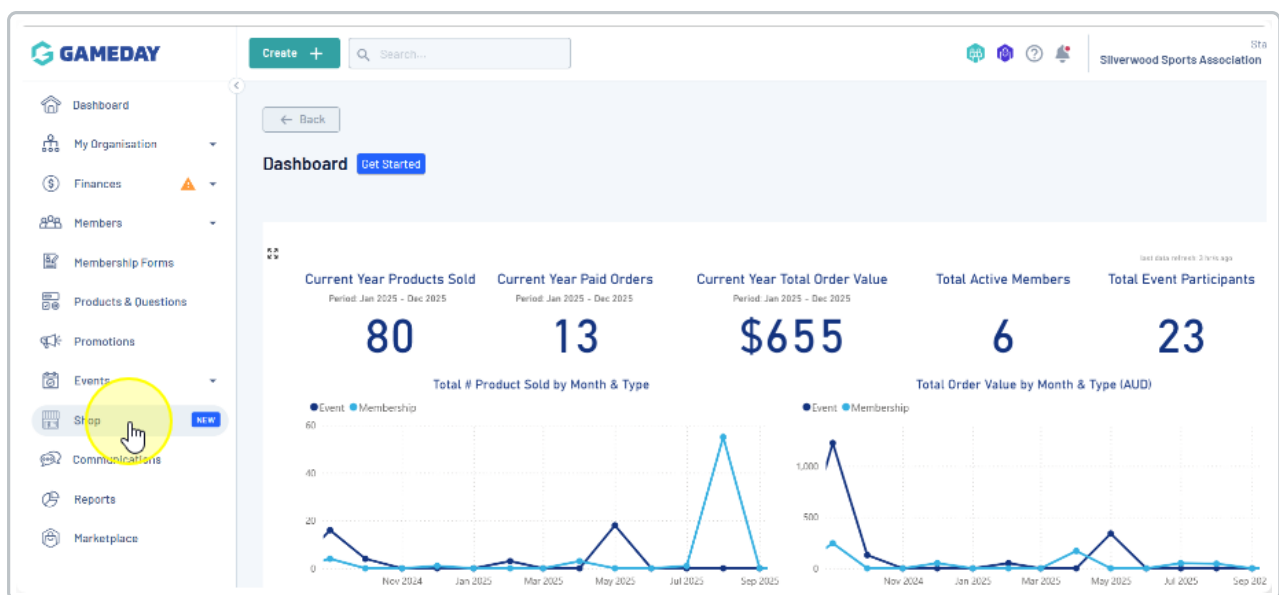

## Overview

As part of the Shop functionality in GameDay, you can find a dedicated list of orders that have been processed using a Shop products. This may be as a result of membership, event or standalone shop forms, so long as you have Shop products being sold on them.

## Step-by-Step

### Step 1: Open the Shop section

From the left-hand menu, click the **SHOP** option

### Step 2: Find the Shop Product Purchases tab

Locate and click on the **SHOP PRODUCT PURCHASES** tab to open a list of shop orders processed in your database
