Overview

This guide outlines the step-by-step process of making payments for orders on GameDay using the Link wallet payment option. Link provides a secure and expedited checkout experience by allowing you to save your payment information.

Step-by-Step

Step 1: Login to your GameDay Account

Access a registration form by logging into your GameDay account, or creating a new account

The screenshot shows a web page titled "National Registration Form". On the left, there is a large red "PVT" logo. Below it, a line of text reads: "By clicking Login or Sign Up, you agree to the GameDay [Privacy Policy](#)". At the bottom center is the "GAMEDAY" logo. On the right side, under the heading "Login or Sign up", there are two input fields: "Email *" and "Password *". The "Password *" field has a "Forgot?" link to its right and a toggle icon. Below these fields is a green "Login" button, which is circled in yellow with a hand cursor icon pointing to it. Below the "Login" button, there is a link that says "No account yet? [Sign Up](#)".

Step 2: Select your member profile

Choose the appropriate member profile for the order you are placing, and then proceed by clicking **NEXT**

The screenshot shows a registration form with a teal header and a white content area. The header contains a progress bar with six steps: 1. Basic Info, 2. Products, 3. Shop Products, 4. Questions, 5. Summary, and 6. Payment. The current step is 1. Basic Info. The main heading is "Who would you like to register?". Below this, there are two sections: "Linked Member Profile(s)" and "New Member Profile". The "Linked Member Profile(s)" section has four radio buttons with names: Aaron Adamson (selected), Adam Bates, Ben Hollands, and Rory Stewart. The "New Member Profile" section has one radio button labeled "New Participant". At the bottom right, there is a teal "Next" button with a yellow circle and a hand cursor icon pointing to it.
