

# Add Custom Link to Organisation Details

25/02/2026 2:37 pm AEDT

The Organisation Details section of your GameDay database allows you to set Social Media links for your organisation.

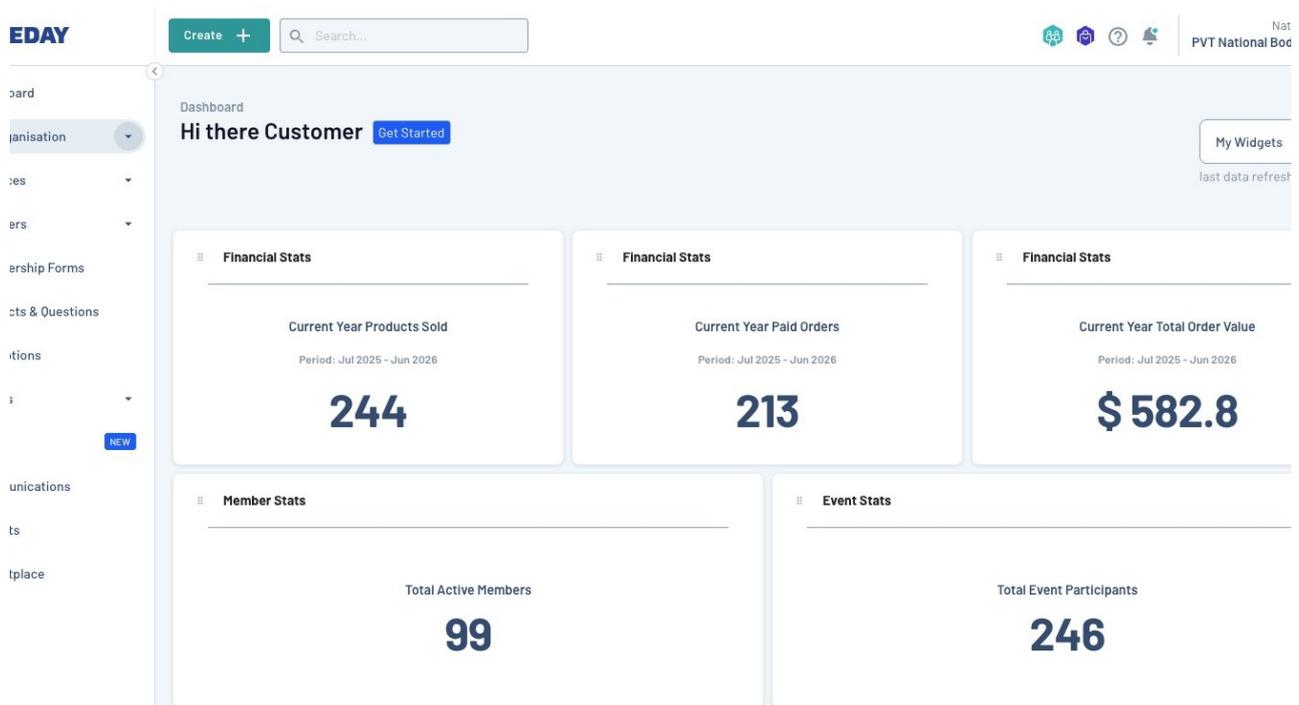

By default, the following links are available

- Facebook
- TikTok
- YouTube
- Instagram
- X (Twitter)

GameDay also provides the ability to add Custom Links, allowing organisations to display any relevant social media pages or websites the user may require, such as a Website or Team App link.

Custom Links can be added by following the steps below:

1. Navigate to your organisation dashboard

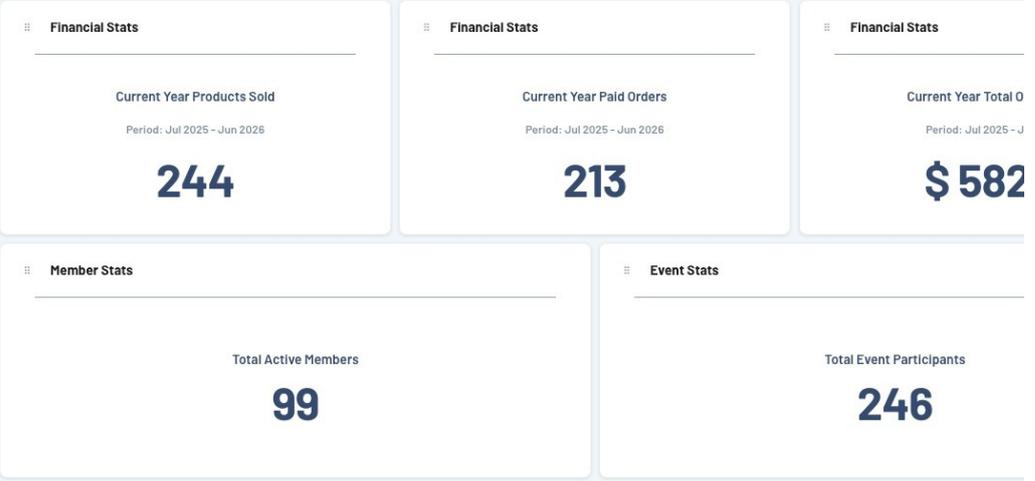

The screenshot displays the EDAY dashboard for a customer. The top navigation bar includes the EDAY logo, a 'Create +' button, a search bar, and user profile information for 'Nat PVT National Bod'. The main dashboard area is titled 'Hi there Customer' and features several key performance indicators (KPIs) for the period of Jul 2025 - Jun 2026:

| Category  | Value    |
|---|----------|
| Financial Stats: Current Year Products Sold     | 244      |
| Financial Stats: Current Year Paid Orders       | 213      |
| Financial Stats: Current Year Total Order Value | \$ 582.8 |
| Member Stats: Total Active Members              | 99       |
| Event Stats: Total Event Participants           | 246      |

2. Click on "My Organisation"

- Dashboard
- My Organisation**
- Finances
- Members
- Membership Forms
- Products & Questions
- Promotions
- Events
- Shop NEW
- Communications
- Reports
- Marketplace

Hi there Customer [Get Started](#)

4. Click "Add Custom Link"

The screenshot shows the profile page for 'National PVT National Body'. At the top, there is a 'Create +' button and a search bar. The profile information includes an email address 'test15@test.com' and a website 'www.stacksports.com'. Below this, the 'Social Media' section lists links for Facebook, Instagram, TikTok, X (Twitter), and YouTube, each with a corresponding icon and a text input field containing a placeholder URL. The 'Custom Links' section shows one existing link for 'Team App #1' with the URL 'https://www.teamapp.com' and a '+ Add Custom Link' button. The 'Other Details' section is partially visible at the bottom.

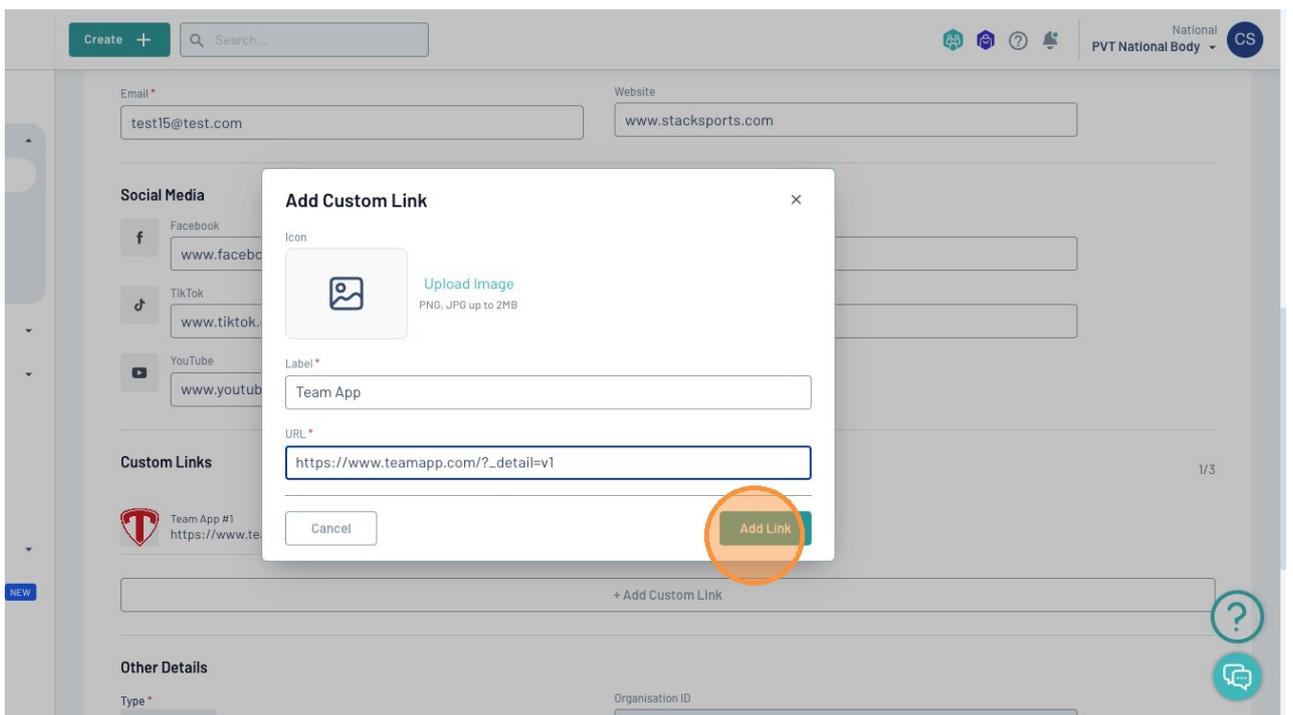

5. Enter the name of the social media link you wish to display

The screenshot shows the 'Add Custom Link' dialog box overlaid on the profile page. The dialog box has a title bar with a close button. It contains an 'Icon' section with an 'Upload Image' button and the text 'PNG, JPG up to 2MB'. Below this is a 'Label \*' text input field containing the text 'e.g. Discord, Twitch, LinkedIn', which is circled in orange. Underneath is a 'URL \*' text input field containing 'https://'. At the bottom of the dialog are 'Cancel' and 'Add Link' buttons.

6. Paste the URL of your social media platform

7. Click "Add Link"

8. Click "Save"
