

Bulk Copy and Edit Products

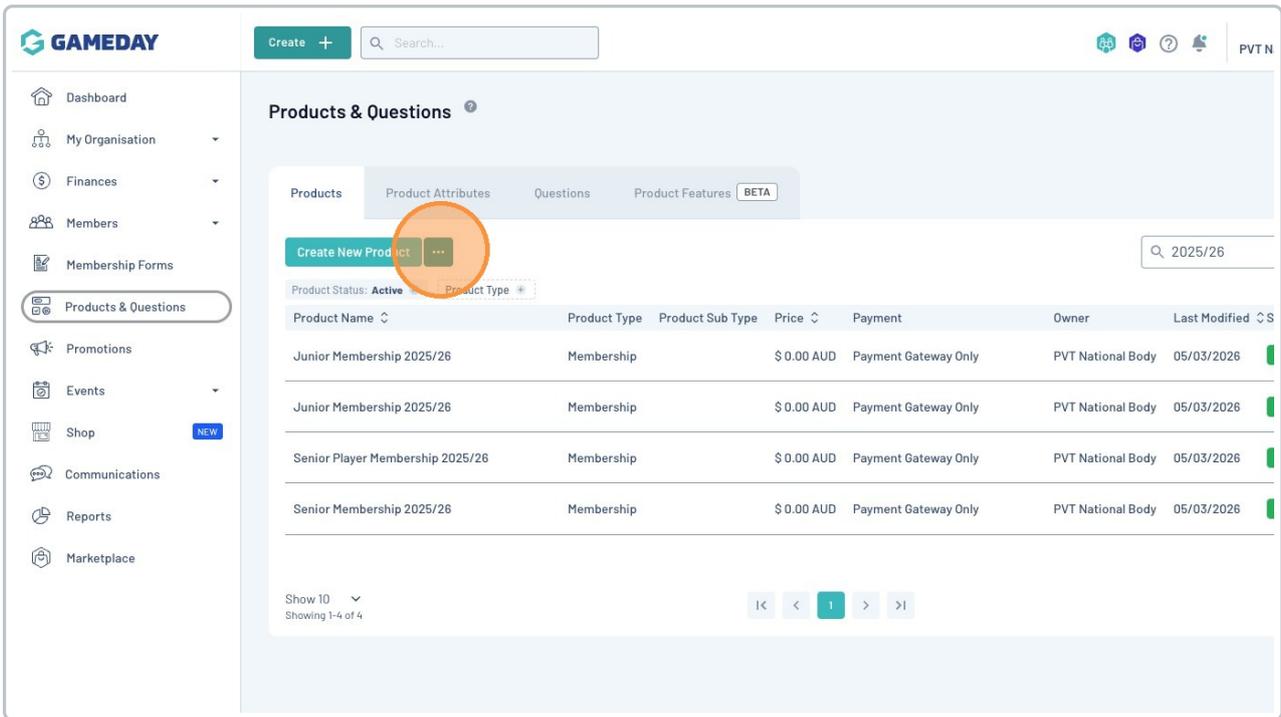

05/03/2026 10:02 am AEDT

Learn how to efficiently duplicate membership products within the GameDay Platform. This guide will walk you through the bulk copy process, saving you time and effort when setting up recurring products or preparing for the upcoming season.

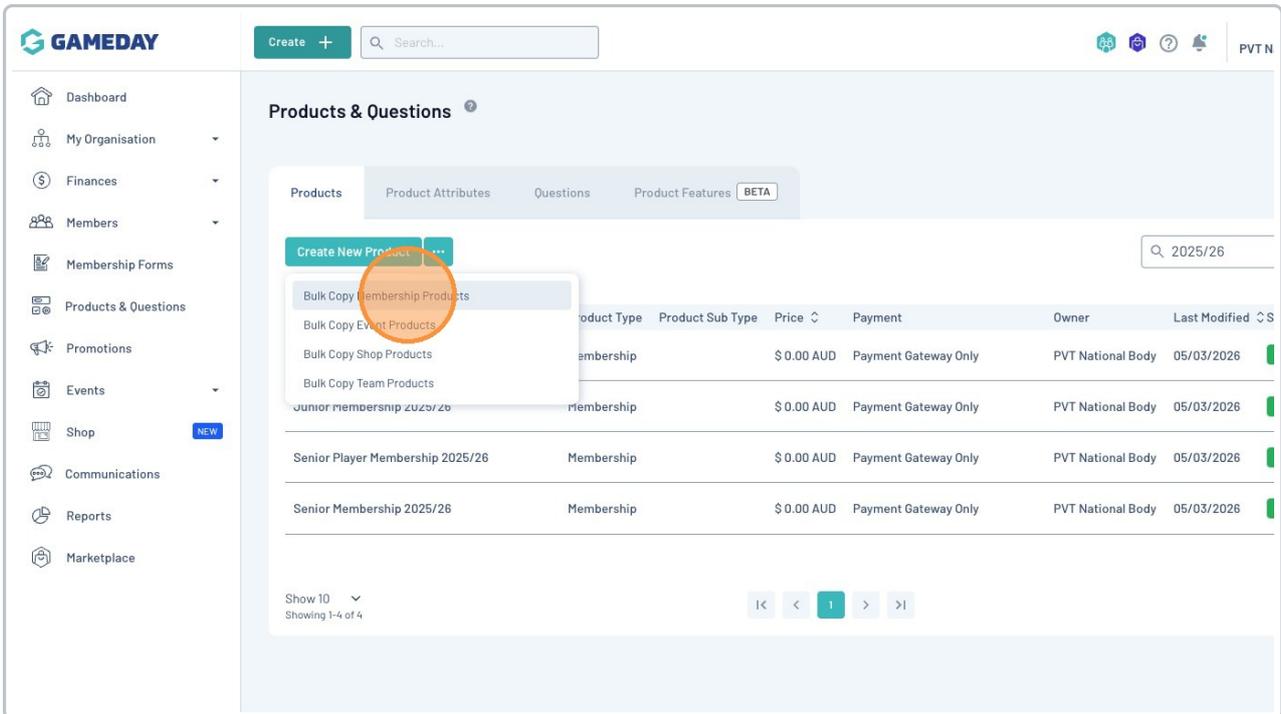

1. Click "Products & Questions"

2. Click on the ellipsis icon

3. You will now see a dropdown menu containing the option to Bulk Copy products for Membership, Events, Shop and Teams

4. From the setup wizard, you can now select which products you would like to copy
Note: Clicking the top checkbox will select all available products

1 Select Products — 2 Configure Products — 3 Review

Select Membership Products to Copy

Choose existing products to use as a starting point for your new products.

Q Search products.
